

## WESTERN CANADA SAREX 2006

### SITUATION REPORT

DATE: June 1 2006

**Purpose:** The purpose of this situation report is to update and amend the Operations Order for Western Canada SAREX 2006.

**Situation:** There have been three changes concerning this Operations Order

1. **Change of on ground venue:** The Clearwater Club at The Pas will no longer be used for operations. All briefings, messing and crew mustering will now be carried out in the Municipal Buildings, The Pas Airport. This building will now incorporate all ground operations including Search Headquarters and access to the air side of the airport.
2. **Change in rations detail:** Due to the requirement that meals be claimed individually by participants CASARA The Pas has arranged for meal tickets covering all meals during this event. A meal ticket will cost \$65 and will include the meet and greet barbeque on arrival, breakfast, lunch and banquet on Saturday and the debriefing brunch on Sunday. Meal tickets are to be purchased on arrival and a receipt will be issued detailing the individual meal costs. As there are limited ATM facilities at The Pas Airport, participants are requested to bring enough cash to purchase their meal tickets upon arrival.
3. **Requirement for Notice of Intent:** As CASARA The Pas will shortly have to firm up rooms, meals and other commitments, participants are requested to advise attendance NLT June 10, 2006. This may be done by Email to the SAREX Commander at [harvey@mailme.ca](mailto:harvey@mailme.ca) or the Chief, Ground Services at [mmeyer@ucn.ca](mailto:mmeyer@ucn.ca)

Signed

M.O. Harvey  
SAREX Commander
